

体育课程课外跑步打卡指引

一、跑步打卡规则

1. 跑步打卡期间：2026 年 1 月 5 日-5 月 3 日，每日 6:00-23:00（须于 23:00 前完成当日打卡，否则数据将无法被记录）。
2. 跑步区域：大学田径场。
3. 学期跑步总次数：36 次（每天最多有 1 次运动记录关联体育成绩，超出部分仅做记录但不会关联成绩）。
4. 男生每公里配速：3m/km-9m/km，男生单次跑步里程：最低 2km。
女生每公里配速：3m/km-10m/km，女生单次跑步里程：最低 1.6km。
注：请确保每公里配速均在规定区间内，超出范围公里段将无法被系统记录。
5. 严禁作弊行为：如使用交通工具、代跑等。后台将通过配速、轨迹、手机 ID 变更等监测跑步记录，分析作弊。一经核实，异常记录将无效，并将根据数据分析评定成绩并作出相应处罚（包括但不限于上报学术诚信委员会等）。
6. 客服咨询与申诉：我的-在线客服-进群咨询。

二、“咕咚”小程序使用说明

1. 扫码进入小程序

微信扫码加入

香港中文大学(深圳)线上运动

2. 登录与认证

输入学号，匹配个人信息，进入跑步界面。

3. 跑步流程

在跑步时间内，打开企业咕咚小程序-跑步-开始，进行运动。

4. 跑步数据查看

打开跑步次数排行榜，查看跑步次数；打开里程排行榜，查看跑步里程。

注：里程排行榜中排名前列的学生将获得额外礼品奖励。

5. 常见异常问题解决方案

（一）步数有误

解决方案：打开微信运动；

允许企业咕咚小程序读取你的步数。

（二）GPS 定位异常

解决方案：打开手机权限（应用管理>微信>权限>位置信息>始终允许）；

手机不要采用省电模式。

（三）配速不达标

解决方案：确保每公里的配速都达标。

（四）数据异常

解决方案：使用咕咚 APP 或华为运动健康等，并在企业咕咚小程序“我的-运动数据源”中关联 APP 记录运动。

Guidelines for Extracurricular Exercise

I. Running Rules

1. Running Period: January 5 – May 3, 2026, daily from 6:00 to 23:00.

Note: please complete the running by 23:00 each day; otherwise, the data will not be recorded.

2. Running Area: University Track and Field Ground.

3. Total Runs per Semester: 36 runs.

Note: only one run per day can be counted toward the PE grade. Additional runs will be recorded but will not affect the grade.

4. Pace and distance requirements:

Male: 3 min/km – 9 min/km; Minimum distance: 2 km per run.

Female: 3 min/km – 10 min/km; Minimum distance: 1.6 km per run.

Note: All kilometers must fall within the specified pace range. Any kilometer outside this range will not be recorded by the system.

5. Cheating is strictly prohibited (e.g., using transportation, running on behalf of others). The system will monitor running data through pace, trajectory, and phone ID changes to detect cheating. Once verified, the record will be invalidated. Based on data analysis, grades will be evaluated and corresponding penalties imposed (including, but not limited to, reporting to the Academic Integrity Committee).
6. For any inquiries or software issues, contact customer service through the following methods:
Me - Support – enter the Wechat group to consult

II. Codoon Mini Program Instructions

1. Scan the QR code below to enter the Codoon Mini Program

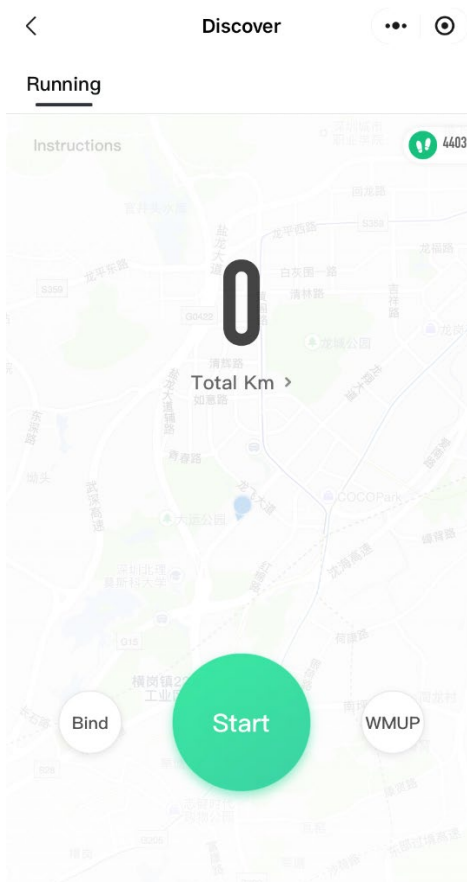

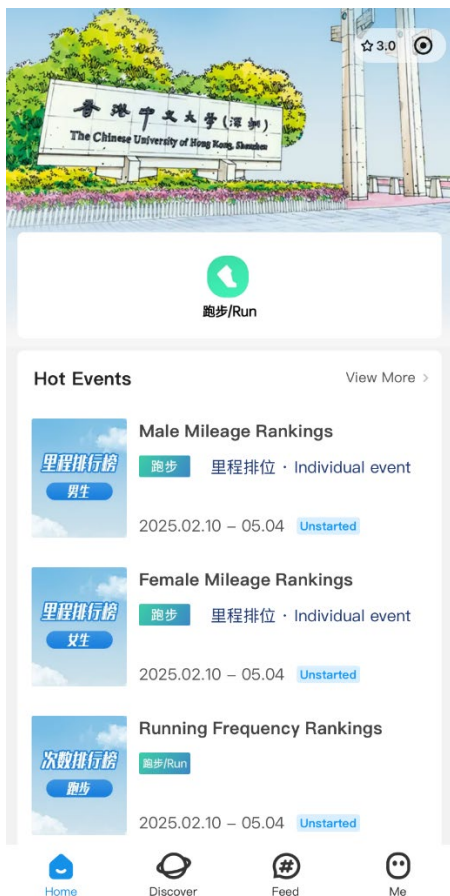

微信扫码加入
香港中文大学(深圳)线上运动

2. Login and Identity Verification

Enter your student ID to match your personal information.

3. Running Process

During the running hours, open the mini program, click “Run” and “Start” to begin your workout.

4. Viewing Running Data

Open the "Running Frequency Rankings" to view your total number of runs.

Open the "Mileage Rankings" to check your running mileage.

Note: Students ranked at the top of the Mileage Rankings will receive additional gift rewards.

5. Solutions to Common Issues

(1) Incorrect Step Count

Solution: Open WeRun and allow the Codoon Mini Program to access your step data.

(2) GPS Location Errors

Solution: Enable location permissions on your phone (Settings > Apps > WeChat > Permissions > Location > Allow All the Time).

Avoid using power-saving mode on your phone during exercise.

(3) Pace Not Meeting Requirements

Solution: Ensure that your pace meets the required standard for each kilometer.

(4) Data Anomalies

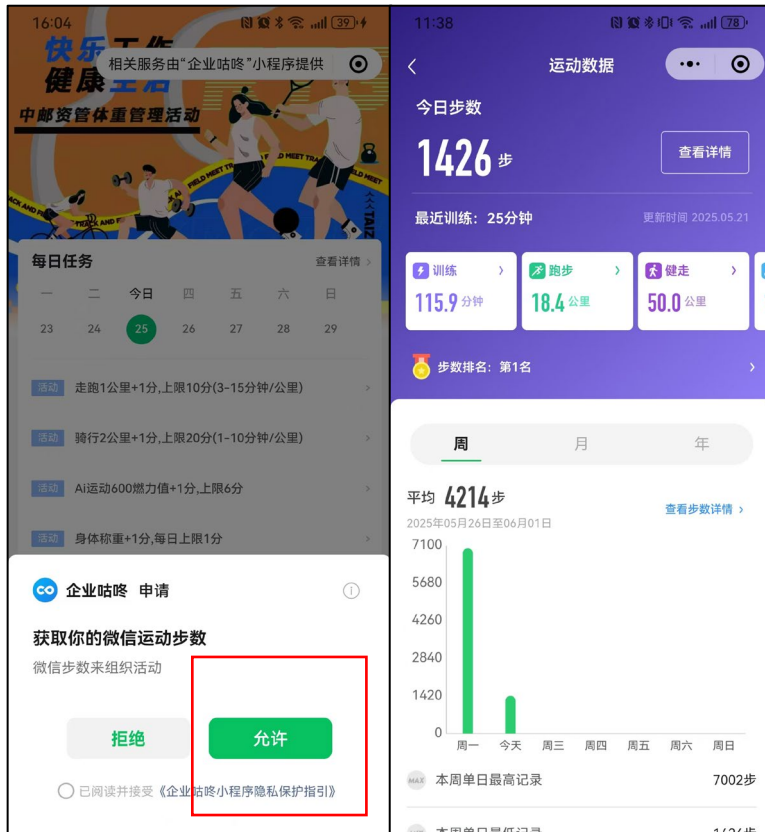

Solution: Use alternative fitness tracking apps such as the Codoon app or Huawei Health to record your workouts, and link these apps to your activity data source in the Codoon Mini Program under "Me > Data Sources."

香港中文大学（深圳）线上跑步打卡平台 使用常见问题

**Common Usage Issues of CUHK-Shenzhen Online
Extracurricular Exercise Platform**

操作说明

Operating Instructions

1、打开微信运动
微信-微信运动-保持开启状态

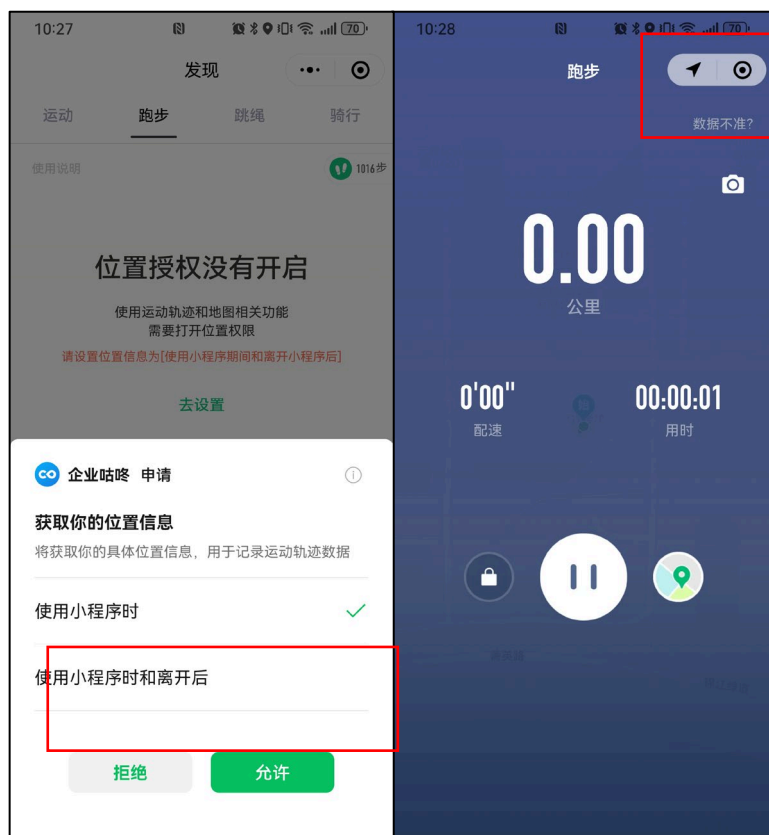

2、允许企业咕咚小程序读取你的步数

1. Open WeRun
WeChat → WeRun → Keep it enabled.

2. Allow the “Enterprise Codoon” mini-program to read your step count.

操作说明

Operating Instructions

1、打开所有该打开的权限

特别是安卓手机：手机系统设置>应用>应用管理>微信>权限>位置信息>始终允许；手机不要用省电模式；企业咕咚小程序>右上角三个点>设置>位置信息等权限全部打开

1. Enable all necessary permissions

·Android users:

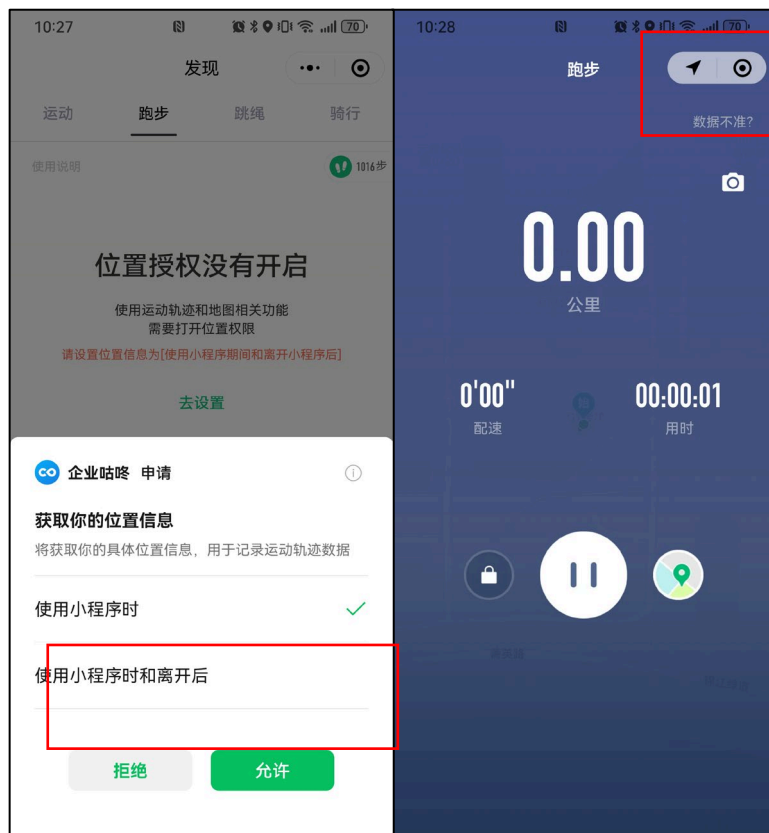

Phone Settings → Apps → App Management → WeChat → Permissions → Location → Always Allow.

·Do not use Battery-Saver mode.

Open the “Enterprise Codoon” mini-program → tap the three dots in the upper-right corner → Settings → ensure Location and all other relevant permissions are turned on.

操作说明

Operating Instructions

2、去户外开阔地，等手机定位成功后，再进行运动。运动的时候查看右上角三角符号是否为绿色，绿色代表定位成功，灰色代表定位不成功。

2. Go to an open outdoor area and wait until your phone has successfully acquired a GPS lock before starting your workout.

During the activity, check the triangle icon in the upper-right corner:

- Green triangle = positioning successful.
- Gray triangle = positioning unsuccessful.

操作说明

Operating Instructions

男生配速：3m/km~9m/km，男生单次跑步里程：2km及以上
女生配速：3m/km~10m/km，女生单次跑步里程：1.6km及以上

配速看的是每公里配速，而不是整段数据的平均配速，所以需要关注每公里的配速

- Male runners: 3 min/km – 9 min/km, minimum distance 2 km per run
 - Female runners: 3 min/km – 10 min/km, minimum distance 1.6 km per run
- The system checks the per-kilometer pace, not the overall average pace, so keep an eye on each individual kilometer's pace.

位置不达标 Location does not meet the required standard

操作说明

Operating Instructions

请在进入学校田径场后再开启运动记录。为保证数据有效性，系统仅认可完全在田径场内进行的运动成绩，途经场外或部分在场外完成的运动将无法计入有效记录

Only start recording after you have entered the school track. To ensure data validity, the system only accepts activities completed entirely within the track; any segment that leaves or partially occurs outside the track will not count as a valid record.

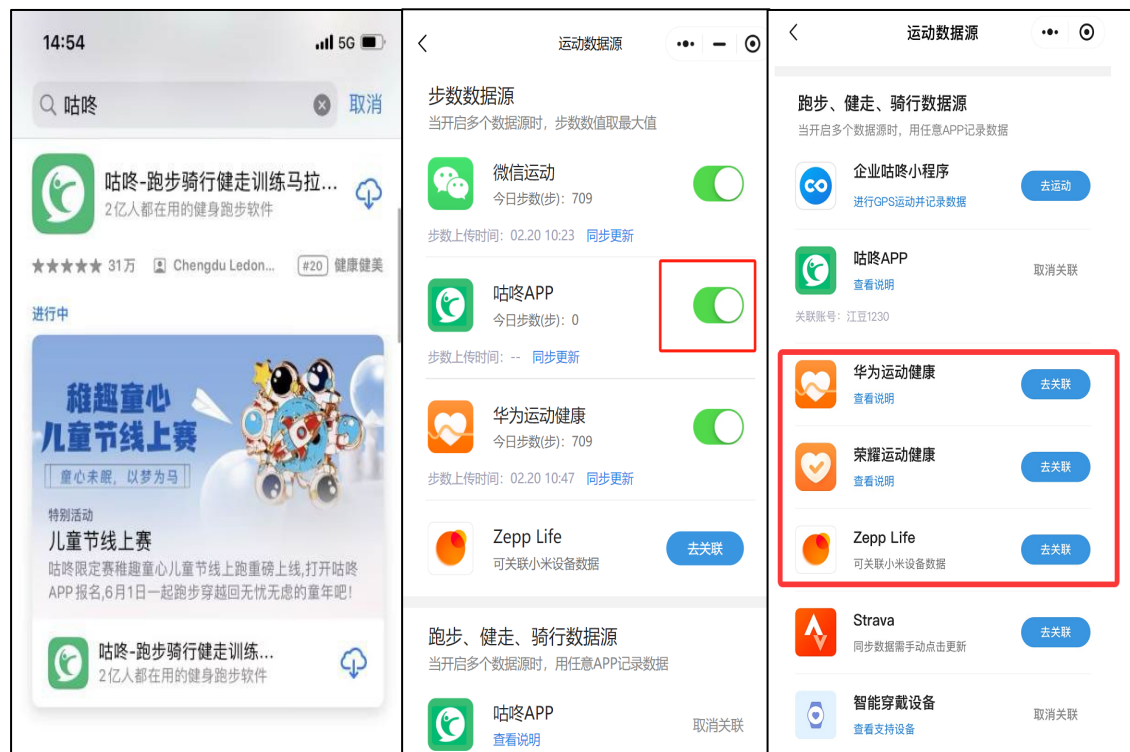

如何避免数据异常

How to Prevent Data Anomalies

下载咕咚APP、关联三方设备

Download the Codoon App & Pair Third-Party Devices

说明 Instructions

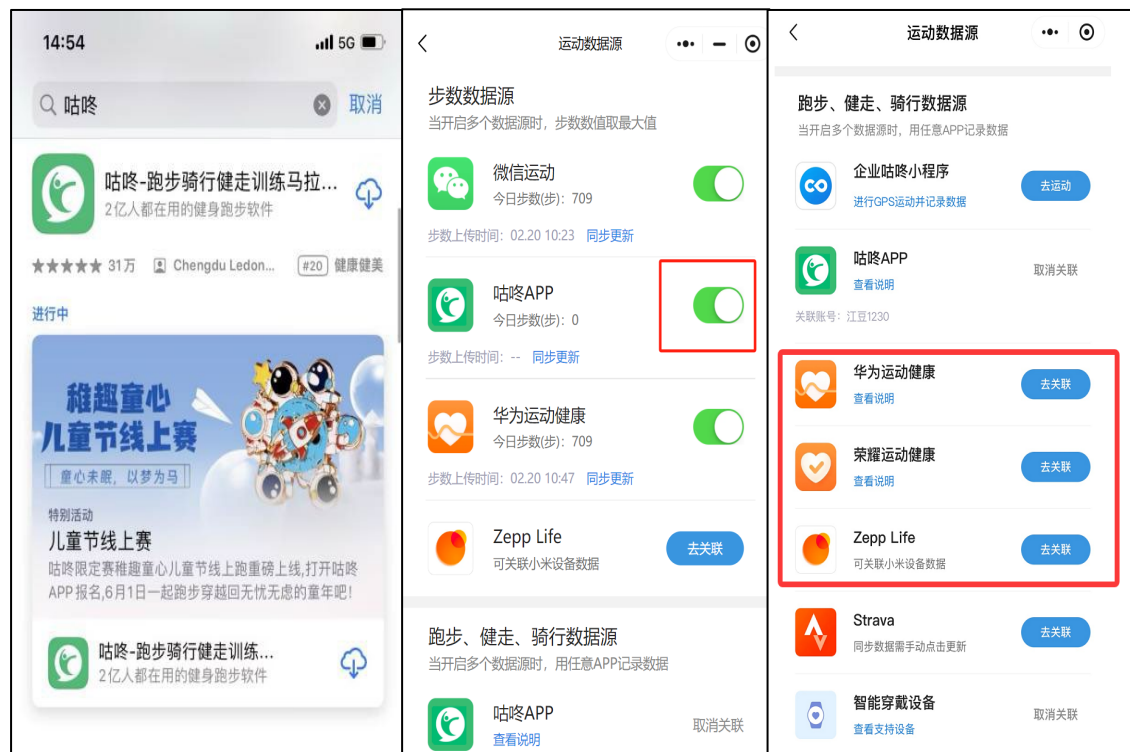

小程序是基于微信框架的，后台运行时有可能受到微信限制，后期使用小程序，若您的运动记录不准确，可以下载注册一个单独的咕咚app软件，然后企业咕咚小程序-我的-运动数据源，去关联咕咚app，用咕咚app去记录跑步、健走和骑行运动，记录的数据会自动同步到企业咕咚小程序。

The mini-program is built on the WeChat framework and may be restricted by WeChat when running in the background. If your activity records are later found to be inaccurate, please download and register for the standalone Codoon app. Then, in the Enterprise Codoon mini-program, go to My → Data Sources and link your Codoon app. Use the Codoon app to record runs, walks, and bike rides—the data will automatically sync to the Enterprise Codoon mini-program.

下载咕咚APP、关联三方设备

Download the Codoon App & Pair Third-Party Devices

说明 Instructions

1、如何下载咕咚APP：

进入手机应用商店，搜索咕咚，**下载咕咚APP**，并注册登陆

Tips: 咕咚APP稳定性更高，建议走跑时使用咕咚APP运动

1. How to download the Codoon App

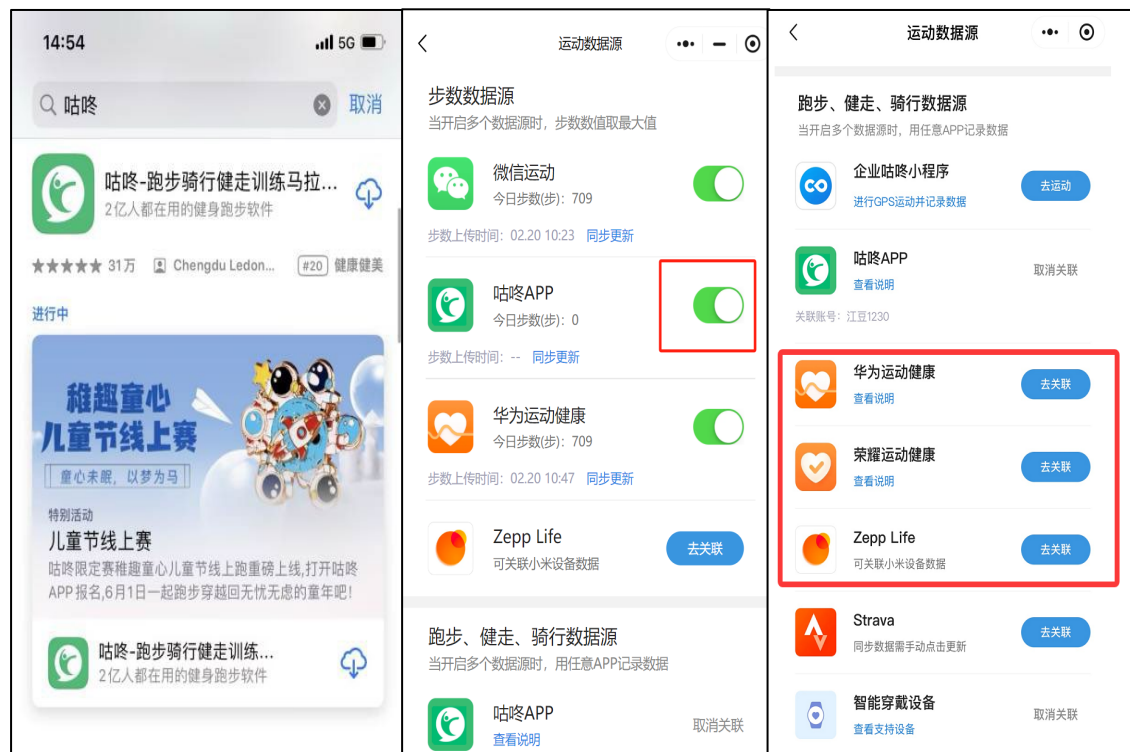

Open your phone's app store, search for "Codoon," **download the Codoon App**, and then register and sign in.

Tip: The Codoon App provides more stable performance; we recommend using it for running or walking activities.

下载咕咚APP、关联三方设备

Download the Codoon App & Pair Third-Party Devices

说明 Instructions

2、如何关联三方APP账号：

我的-运动数据源-选择对应app去关联，关联后三方app的步数、健走、跑步和骑行模式的数据可同步小程序。

注：Strava只支持同步骑行数据。

2. How to link a third-party app account

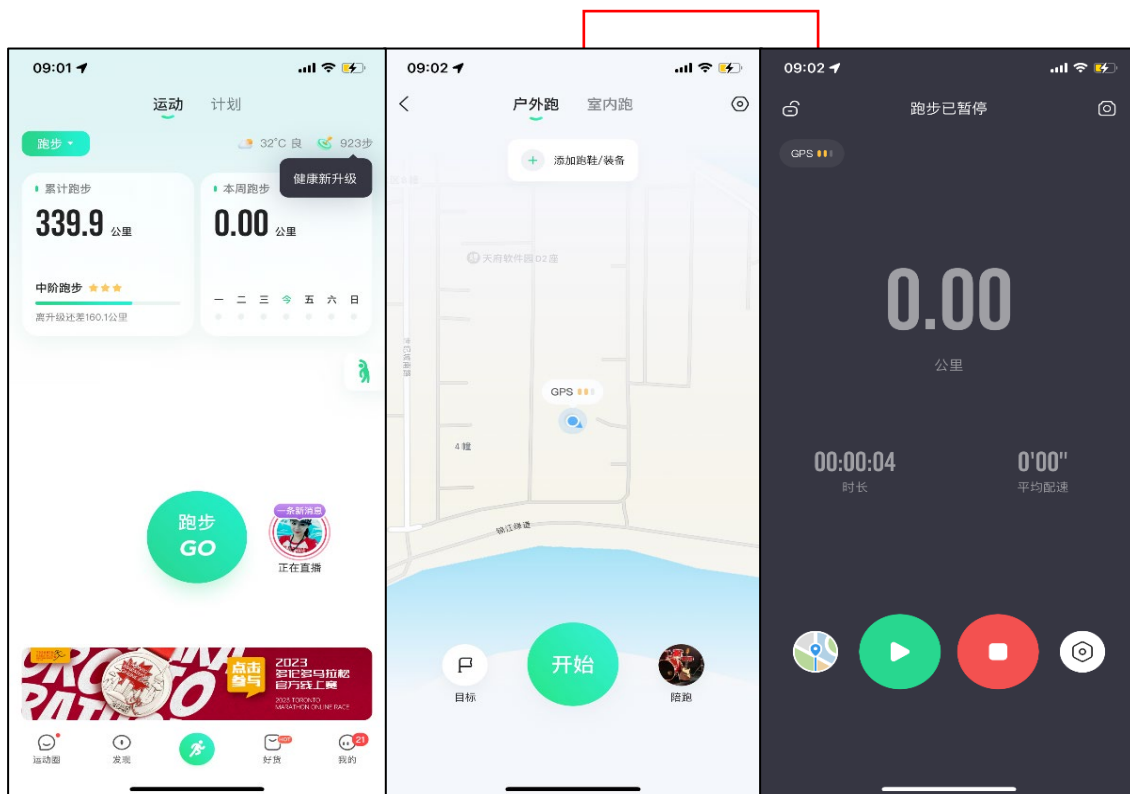

My → Data Sources → select the corresponding app and authorize the connection. Once linked, steps, walking, running, and cycling data from that app will sync to the mini-program.

Note: Strava supports cycling data only.

咕咚APP运动方式跑步

Running Mode in the Codoon App

说明 Instructions

1、打开咕咚APP-运动-跑步

2、选择户外跑/室内跑-开始，即可开始运动

(tips: 请不要在室内运动选择户外跑，因为GPS数据会受遮挡物的干扰，手机无法定位导致数据异常)

1. Open the Codoon App → Workout → Run.

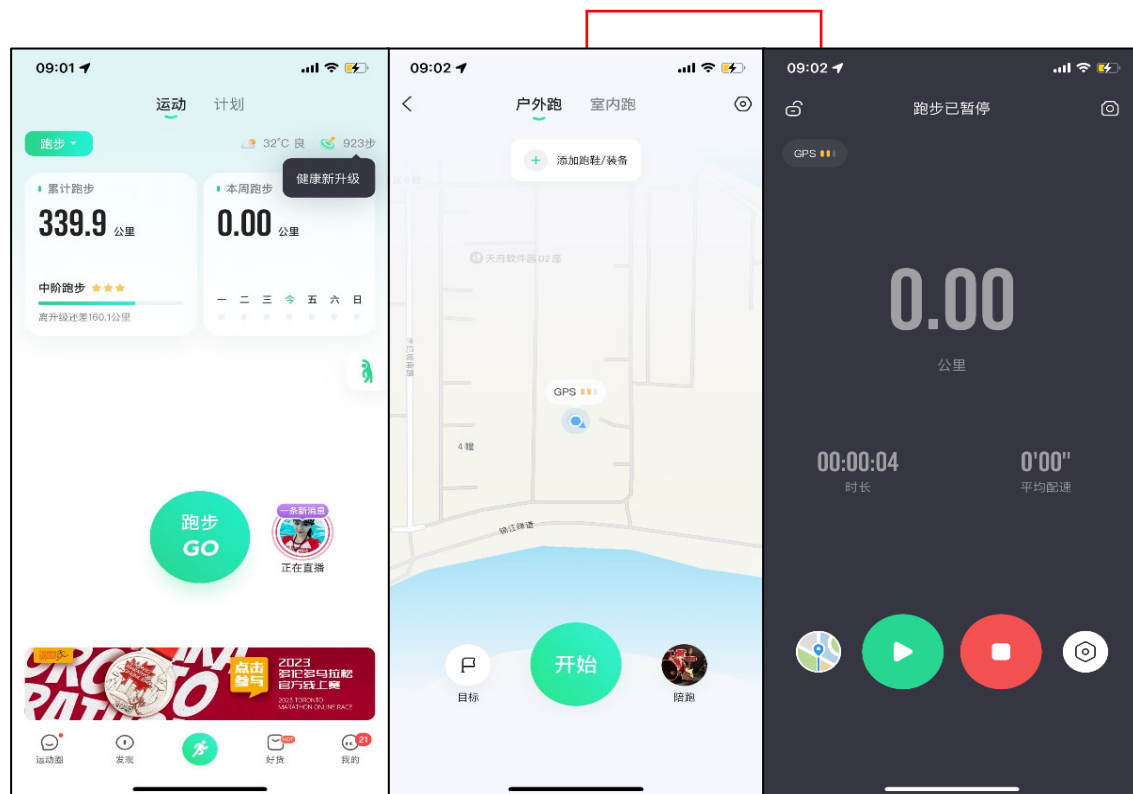

2. Choose Outdoor Run or Indoor Run, then tap Start to begin.

Tip: Do not select “Outdoor Run” for indoor workouts; GPS signals can be blocked, preventing accurate positioning and causing data anomalies.

Running Mode in the Codoon App

说明 Instructions

3、长按**红色按钮**即可结束运动

4、只要小程序和咕咚APP关联成功，运动结束后数据会自动同步到企业咕咚小程序

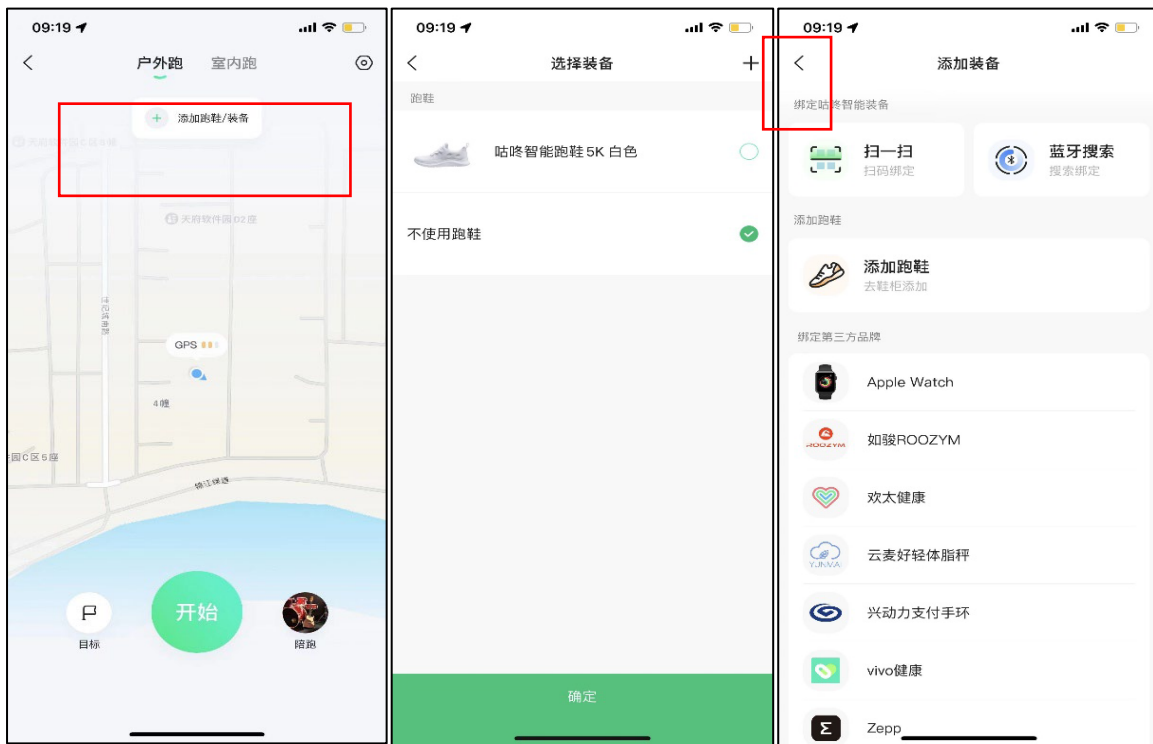

3. Press and hold the **red button** to end your workout.

4. Once the mini-program has been successfully linked to the Codoon App, the completed activity will automatically sync to the Enterprise Codoon mini-program.

咕咚APP绑定智能装备

Binding Smart Devices in the Codoon App

说明 Instructions

如何绑定:

- 1、打开咕咚APP，点击运动-跑步按钮，点击**添加装备**
- 2、点击右上角“+”即可开始添加装备

How to pair your device:

1. Open the Codoon app, tap Workout → Run, then **tap Add Gear**.
2. Tap the “+” in the upper-right corner to start adding a device.

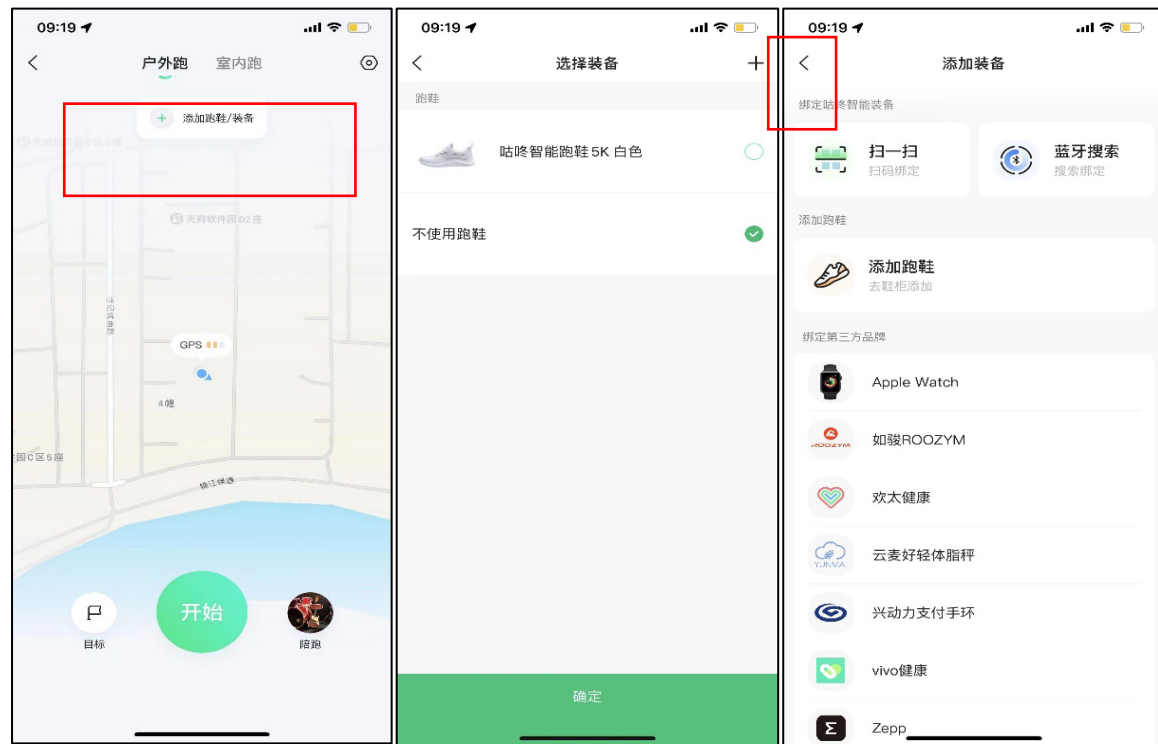

* 若您有其他运动智能穿戴设备，可在咕咚APP上绑定。运动时只需使用穿戴设备，运动后打开咕咚APP，将自动同步数据

* If you have other smart sports wearables, you can pair them in the Codoon App. Simply wear the device during your workout; afterward, open the Codoon App and the data will sync automatically.

说明 Instructions

如何绑定：

3、已经绑定智能装备，即可选择装备-确定，回到运动界面开始跑步

How to pair your device:

3. Once the smart device is paired, select it and tap Confirm, then return to the workout screen to begin your run.

* 若您有其他运动智能穿戴设备，可在咕咚APP上绑定。运动时只需使用穿戴设备，运动后打开咕咚APP，将自动同步数据

* If you have other smart sports wearables, you can pair them in the Codoon App. Simply wear the device during your workout; afterward, open the Codoon App and the data will sync automatically.

小程序部分问题自查

Mini-Program Troubleshooting Checklist

说明 Instructions

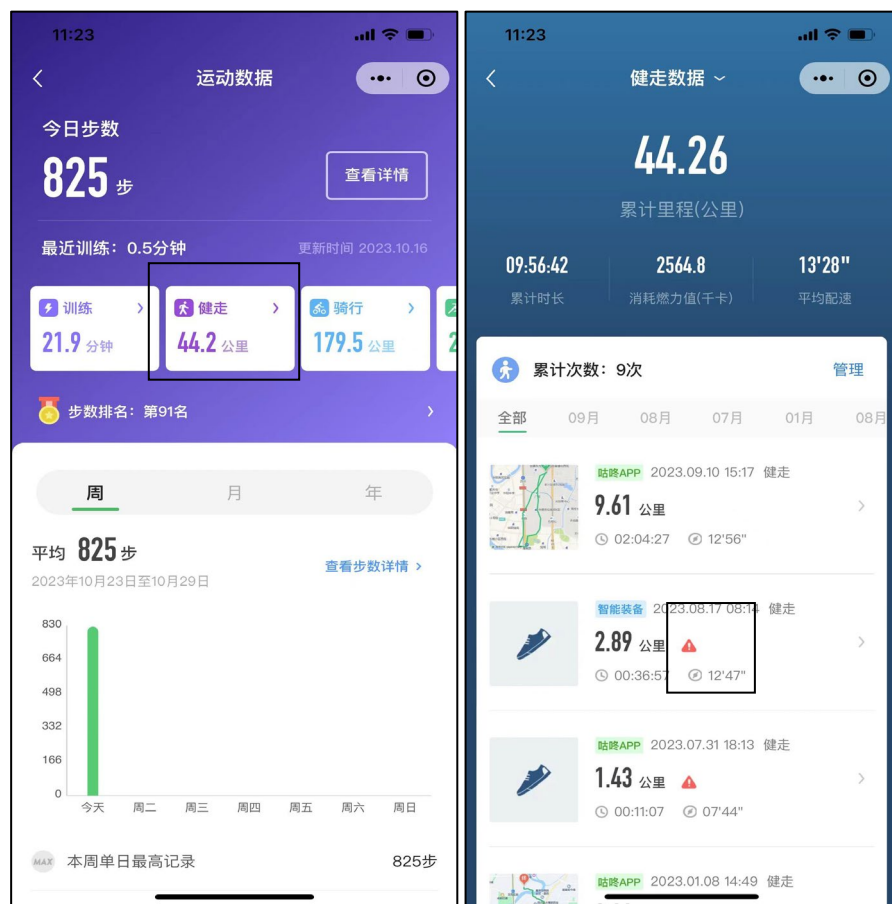

如果感觉运动数据有异常，请先自查以下问题：

1、单条运动数据是否异常。如数据异常，可通过：**我的-我的数据-查询**，找到对应数据在线申诉（**点红色三角形**，按提示操作即可）。申诉后会有审核人员审核数据，如果是正常数据审核后数据会恢复，请耐心等待。

If you believe your activity data is incorrect, please first check the following items:

1. Check whether a single activity record is abnormal.

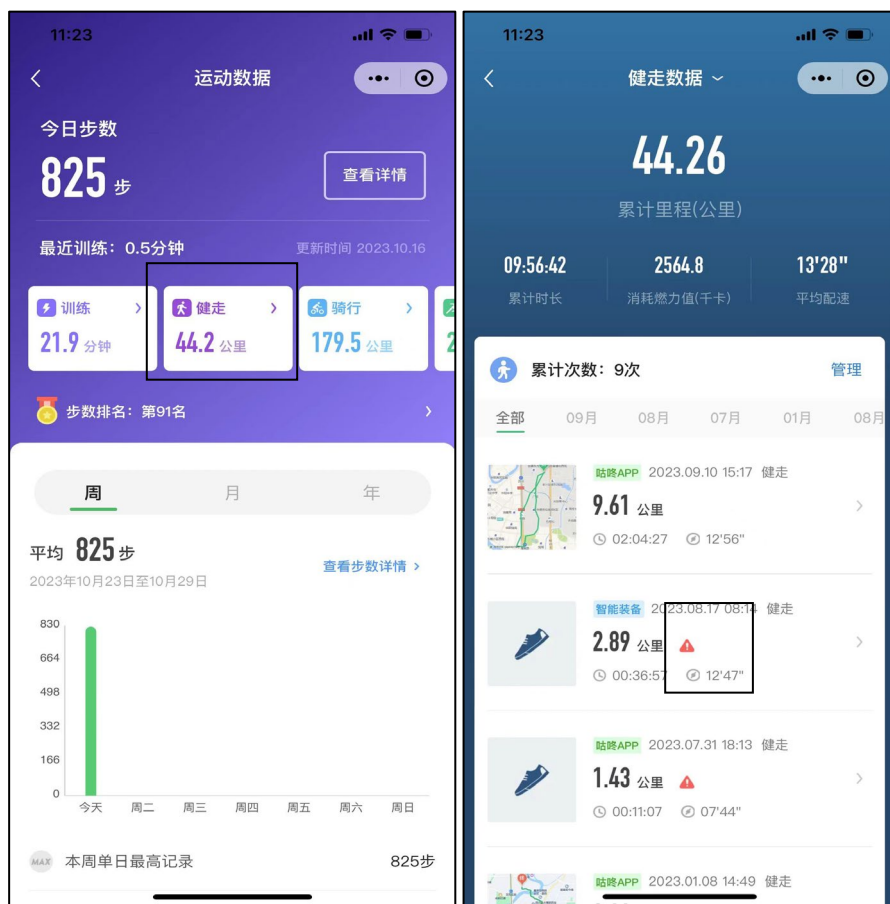

If it is, go to: **My → My Data → Query**, locate the record, and file an online appeal (**tap the red triangle** and follow the prompts). After submission, reviewers will examine the data. If the data is deemed valid, it will be restored; please be patient.

小程序部分问题自查

Mini-Program Troubleshooting Checklist

说明 Instructions

如果感觉运动数据有异常，请先自查以下问题：

2、请大家在**室外开阔地运动**，因为室内运动GPS定位不准会导致运动数据漂移，导致数据异常。此类情况申诉后也会判断异常，无法恢复。

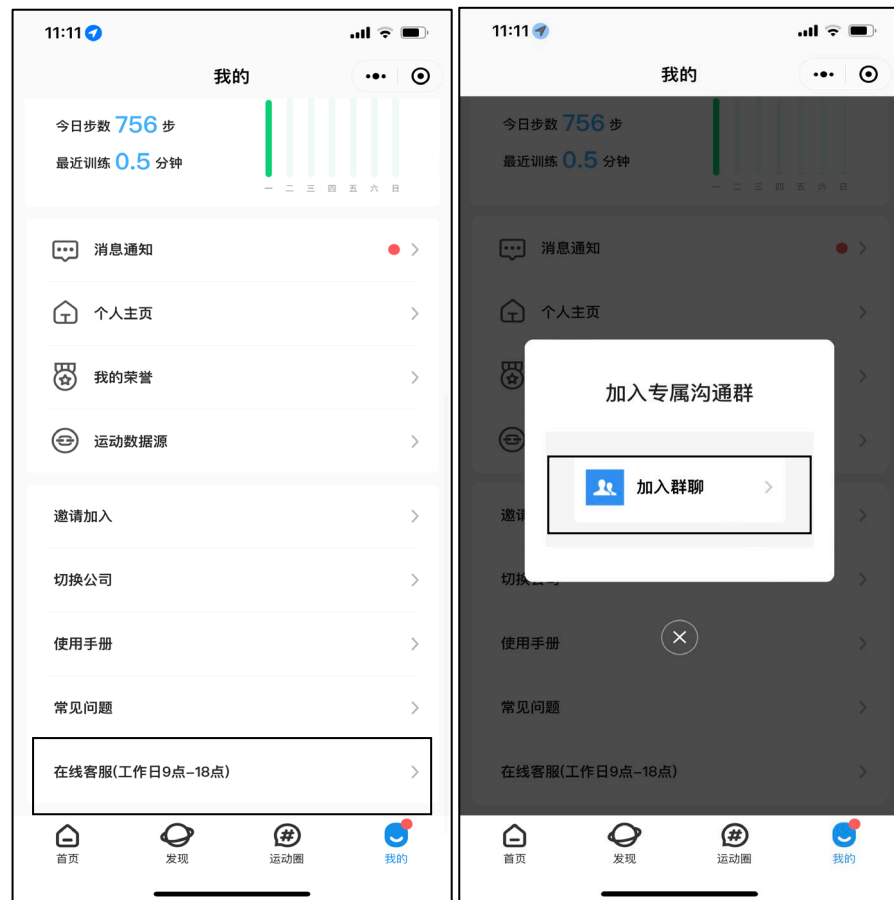

If you believe your activity data is incorrect, please first check the following items:

2. **Exercise in open outdoor areas**; indoor environments can cause GPS drift and data anomalies. Appeals for such cases will still be deemed invalid and cannot be restored.

小程序如何咨询客服

How to contact customer service in the mini-program

说明 Instructions

* 若上述自查方式无法解决您的问题，可联系小程序的在线客服。

* If the above self-check steps do not resolve your issue, please contact the mini-program's online customer service.

加入企业专属服务群

- 1、**打开小程序-我的-在线客服（工作日9点-18点）**
- 2、点击加入专属沟通群
- 3、群内有企业咕咚工作人员进行一对一咨询

Join the Enterprise Support Group

1. **Open the mini-program → My → Online Customer Service (available 9:00–18:00 on weekdays).**
2. Tap “Join Exclusive Group” .
3. Enterprise Codoon staff are in the group for one-on-one assistance

THANK YOU
